Raging Geisha is a pop-rock band out of South Beach FL., Their sound is as hot and eclectic as their hometown!

Raging Geisha blends urban, rock, and dance as seamlessly as a DJ mashing it up in the SoBe nightlife...

Raging Geisha was created by Atlanta singer songwriter Erica Sommer and Miami producer/writer David Siegel. They perform all over South Florida and the East Coast. In fact Raging Geisha has been a regular in the New York City scene and has played the Florida Music Festival in Orlando for 5 years in a row.

In addition, they have toured the Midwest South and South West. Highlights of the latest tour include House Of Blues in New Orleans, Dallas, and Houston.

On major media, their single, "The Way That He Wants Me" hit Top Ten on the FMQB Charts, remained there for several months, and was Top 5 most added, tied with Coldplay. RG had 3 songs that have all scored in the top 20 charts on the Hit Predictor ratings.... Raging Geisha has an energetic, innovative live show that incorporates a live DJ, as well as featuring a live MC.
